

Extending its vision of holistic and future-ready education, RV University is establishing a new state-of-the-art, 20 lakhs sqft campus at Nanjangud, Mysuru. The campus will bring together academic excellence, world-class infrastructure, and a serene environment that fosters growth and discovery.

Spread across 42 acres along the banks of the Kabini River, the Mysuru campus blends tradition with modernity. It will open with four foundational schools – Management, Engineering, Psychology & Behavioural Sciences, Pure & Applied Sciences – offering interdisciplinary programmes, cutting-edge research opportunities, and international collaborations aligned with global benchmarks and India's National Education Policy (NEP) 2020.

At RVU Mysuru, education extends beyond classrooms. Students are encouraged to nurture curiosity, explore their passions, and gain hands-on experience, while developing the integrity and responsibility needed to make a meaningful impact on society.

NEW-AGE GLOBAL UNIVERSITY FOR LIBERAL EDUCATION

MYSURU

RV University (RVU) is a new-age university for liberal education based in Bengaluru, India. Established by the Rashtreeya Sikshana Samithi Trust (RSST), which carries a legacy of over eight decades of excellence in higher education, RVU is a State Private University under the RV University Act, 2019. It has received all necessary regulatory approvals from the Government of Karnataka and the University Grants Commission (UGC).

RVU began its journey with its flagship campus in Bengaluru and is now expanding its footprint with a second campus in Mysuru, spread across 42 acres and launching with four foundational schools.
